9.	G.W.P. Swenson	70	63	49	172	-	-	-	-	172

As Saturday's shooting did not start until 2pm the Sweepstake was curtailed to 7 shots. The weather started hot with a fairly easy wind but heavy rain, poor visibility, and a fish-tailing wind made the 1200 yds distance very taxing. On Sunday the weather was fine and clear but the wind was rather fickle.
